

What role should

the Pigeon have

in policy making ?

*These pigeons are AI generated, not wild pigeons

Is it enough to reflect on how a pigeon feels? Or should it provide missing knowledge? Or be able to debate within discussion?

oPiniON Page

Which pigeons

can participate ?

And do all pigeons then agree with each other?

Erasmus University Rotterdam

Does this pigeon agree

with our approach?

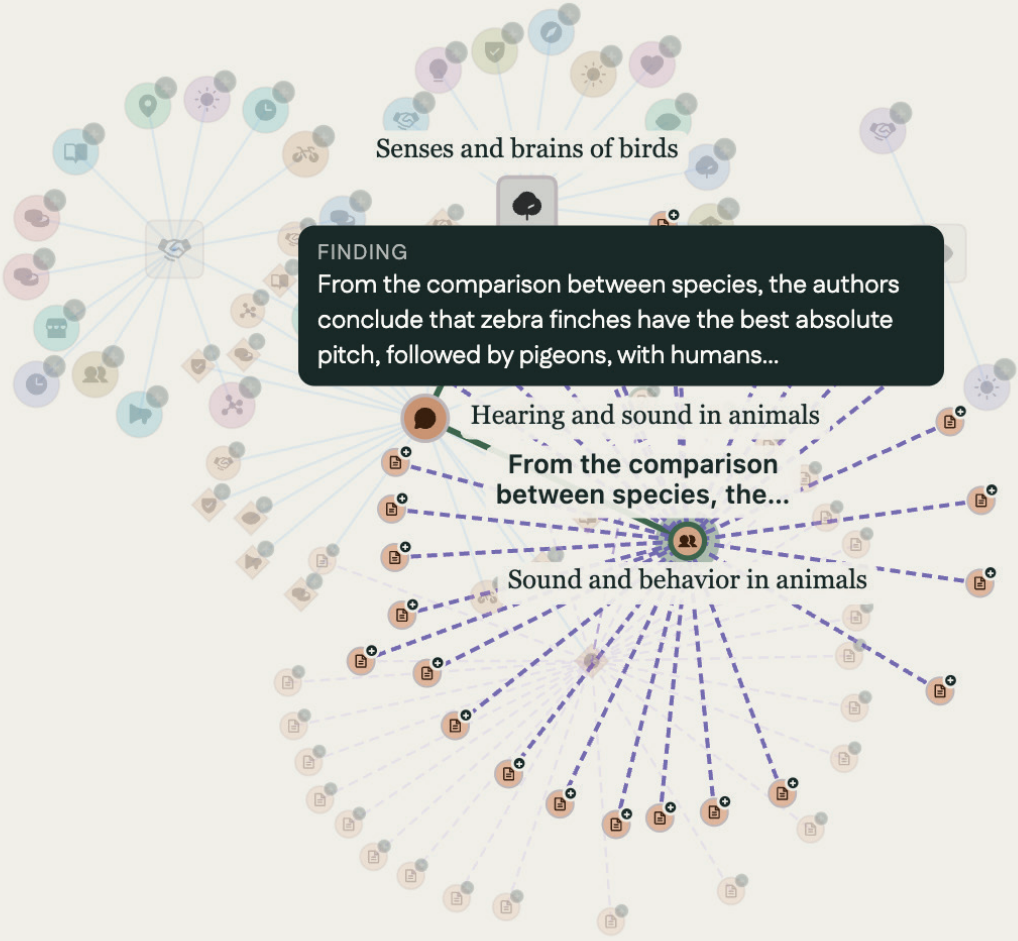

Should we ask pigeons consent or give them feedback on the process?

Erasmus University Rotterdam

LLM to LPM

Do we need a Large Pigeon Model instead?

Will the voice of the pigeon always be our human reflection and interpretation of the pigeon?

Erasmus University Rotterdam

What can we learn from pigeon participation for human participation?

Erasmus University Rotterdam

Are the pigeons the 'hangjongeren' of the street
that express their opinions only once they get snacks?

May a pigeon change its mind?

Erasmus University Rotterdam

What is its true opi(g)nion?
